ORDER

1. The Bench is convened by video conference.
2. The sanction of this Tribunal is sought under Section 230 to 232 and other applicable provisions of the Companies Act, 2013 (“**Act**”), to the Scheme of Amalgamation of Sterlite Grid 4 Limited (hereinafter referred to as the “**First Petitioner Company**” or “**Transferor Company**”) with Sterlite Power Transmission Limited (hereinafter referred to as the “**Second Petitioner Company**” or “**Transferee Company**”) and their respective shareholders (“**Scheme**”). The said Scheme provides for amalgamation of the First Petitioner Company with the Second Petitioner Company, as a going concern. The First Petitioner Company is a wholly owned subsidiary of the Second Petitioner Company. The Board of Directors of each of the Petitioner Companies, at their respective board meetings all held on 22 March 2021 approved the said Scheme.
3. The Counsel for the Petitioner Company submits that in response to the notices issued, only one unsecured creditor of the Second Petitioner Company by the name of Ester Industries Limited, (hereinafter referred to as the “**Objector**”) responded by way of a letter to oppose the Scheme of Amalgamation, on the ground that an amount of INR 37,23,256.20 is allegedly payable to it by the Second Petitioner Company. The Learned Counsel for the Petitioner Companies submits that the Second Petitioner Company has responded to the said letter vide its letter dated 16 December 2021. A copy of the said letter and the response of the Second Petitioner Company thereto have been placed

on record vide Additional Affidavit dated 16 December 2021. The Learned Counsel for the Petitioner Company points out that the payment to the Objector has been disputed on the ground that the goods supplied by the Objector were not as per the standards required. Further, the Objector has not filed any formal objection to the Scheme. In any event, the Scheme does not entail any compromise with the unsecured creditors nor lead to diminishing of any liability towards the unsecured creditors. The Objector would be able to take any appropriate steps as per law in respect of its claims, if it desires. As such, the payment to the Objector, if any, will be dealt with as per law, in the ordinary course. Further, the amount of INR 37,23,256.20 is less than 5% of the total outstanding dues of the Second Petitioner Company, and as such, the Objector does not have any locus to object to the Scheme.

4. It is stated that no objector has come before the Tribunal to oppose the Petition and nor has any party controverted any averments made in the Petition.
5. The First Petitioner Company is engaged in the business of bid, design, construct, own, operate and maintain power transmission systems on a Build Own Operate and Maintain (“**BOOM**”) basis. The Second Petitioner Company is a leading integrated power transmission developer and solutions provider and is also *inter alia* engaged in the business of bid, design, construct, own, operate and maintain power transmission systems by implementing the projects on BOOM basis. The other business of the Second Petitioner Company includes providing bespoke solutions to solve complex problems for power
